

## Ethical Code for Rebirthers

Most of the principles here are taken from *Manual for Rebirthers* by Leonard Orr and Fanny van Laere.

1. Have a harmonious and professional relationship with the client.
2. Keep appointments and be prepared for them.
3. Make sure you are available to give 10 sessions.
4. Have an adequate and quiet place for the session.
5. Teach your clients the important themes of Rebirthing.
6. Stay in touch with the Rebirthing community and other Rebirthers.
7. Continue learning and self-healing. Practice what you teach.
8. Maintain a high level of integrity.
9. Be willing to negotiate and make Rebirthing available to everybody.
10. Respect client confidentiality.
11. Refrain from sexual relationships with clients.
12. Do high-quality Rebirthing.
13. Teach spiritual purification.
14. Ask for information and support from other experienced Rebirthers.
15. Create a support group or spiritual community for yourself and your clients.
16. Inform your clients about earning more, seminars, and spiritual purification training.
